COMMONWEALTH OF VIRGINIA  
STATE CORPORATION COMMISSION

AT RICHMOND, JUNE 7, 2001

PETITION OF

COX VIRGINIA TELCOM, INC.

CASE NO. PUC990110

For approval of relocation  
of network interface device  
to minimum point of entry

ORDER GRANTING EXTENSION

On May 7, 2001, the State Corporation Commission ("Commission") issued an Order Directing Joint Statement of Issues to Be Filed in the above-captioned case. Verizon Virginia Inc. ("Verizon Virginia") and Cox Virginia Telcom, Inc. ("Cox") were granted thirty days, or until June 6, 2001, to pursue a negotiated settlement. In the event a settlement could not be reached, Verizon Virginia and Cox were directed to file a joint statement of remaining issues, to be supported by such additional information as may be needed to refresh the record.

On June 5, 2001, Cox and Verizon Virginia filed a Joint Motion For Extension of Deadline To File Joint Statement of Issues. The parties state that they may benefit from additional time to pursue a negotiated settlement and request that the deadline be extended from June 6, 2001, until July 6, 2001.

The Commission concludes that the parties should be granted the requested extension of time and that the deadline for filing a Joint Statement of Issues should be extended to July 6, 2001.

Accordingly, IT IS THEREFORE ORDERED THAT:

(1) Verizon Virginia and Cox are hereby granted an extension of time through and including July 6, 2001, within which to conclude their negotiations and file their joint statement of remaining issues.

(2) This matter is continued generally.
